

The "Giving" in Women Giving: Impacting our community through collective giving and women-powered philanthropy

A message from our Chair...

Hello WGFS,

Welcome to the tenth year of Women Giving for Spartanburg! Nine years ago, we began with 161 members and awarded \$200,000 in grants to 8 organizations. Women Giving has come a long way in the intervening years and has seen several milestones including more than \$2M in grants, 72 grants awarded to 57 different non-profit organizations in Spartanburg County, and a membership high of 261 members in 2013.

Next year is the 10th Anniversary of Women Giving, and I would like to see more milestones such as record membership and bigger grants awarded to more organizations. We can make a bigger impact on the community where we live and improve the quality of life for everyone.

To do this we need **YOUR** help! Recruit new members, encourage inactive members to join us again, get involved on a committee, or just let us know your ideas. We hope the new 'dual' payment method will make it easier for members to complete their dues by the end of December.

I am excited about next year and the things we can and will accomplish. Plans are being made now to make our 10th year extra special. Be a part of history and join me as we celebrate this anniversary year of Women Giving for Spartanburg!

Yours,

Marsha Moore
