

Income for today, a gift for tomorrow

Charitable Gift Annuity

Giving through a [Charitable Gift Annuity](#) allows you to arrange a generous gift to your community, while providing yourself a new income source you can count on for the rest of your life.

How it works

- You make a gift to The Spartanburg County Foundation—you can give cash, appreciated stocks, real estate, or other assets.
- We set up a contract with you that combines immediate annuity payments with a deferred charitable gift.
- You receive a stream of income that is fixed, regardless of market conditions.
- You also receive an immediate tax deduction for the charitable portion of your gift.
- Upon your death, we set up a fund in your name, in the name of your family or business, or in honor of any person or organization you choose.
- We handle all the administrative details—issuing annuity payments to you during your lifetime and, afterward, issuing annual grant awards to charities in the name of the fund.
- Your gift can be placed into an endowment that is invested over time. Earnings from your fund are used to make grants addressing community needs. Your gift—and all future earnings from your gift—is a permanent source of community capital, helping to do good work forever.

A caring, careful gift

Angela Kline was always active in her community—generous with both her time and money. After she retired and began living on a fixed income, she worried that continuing to give would sacrifice her financial security. “There are some causes I wish I could still support, mostly focused on women and girls in our community,” said Angela. “But my investments are paying less than I had planned.” Her friend Carmen, a CPA, told Angela that she might consider establishing a Charitable Gift Annuity through her local community foundation. “This is a good choice for Angela,” says Carmen. “She is a very caring, generous person, but she also needs to feel financially secure.” By giving through her community foundation, Angela receives a fixed annuity payment that adds up to more than her former investment income. Plus, upon her death, her gift will create the Kline Fund for Women and Girls.

More benefits

Income from your Charitable Gift Annuity may add up to more than the interest and dividends you earned from holding the assets. You can use this income to supplement your own lifestyle, or that of someone else: a sibling, a dependent parent, a friend, or a former employee. You or a loved one can start receiving annuity payments immediately, or defer them to increase your charitable income tax deduction. A portion of the income may be a tax-free return of principal, while some is taxed as ordinary income or capital gains. The amount of annuity paid and the tax deduction received depends on the age of the recipient and the current annuity rate (as established by the American Council of Gift Annuities).

A Charitable Gift Annuity reduces estate assets and may reduce estate taxes. Plus, it's easier to set up than a charitable trust and is backed by the general assets of your community foundation.

Community foundations provide a simple, powerful, and highly personal approach to giving. We offer a variety of giving tools to help people achieve their charitable goals.

You can make a gift of cash, stocks, bonds, real estate, or other assets to your community foundation. Most charitable gifts qualify for maximum tax advantage under federal law.
