

DONOR CONNECT

Donor Connect is an outreach the Spartanburg County Foundation provides to its donors, fundholders, and community members, with opportunities to participate in and learn more about Foundation resources, topics of interest, and community initiatives.

These educational sessions take a variety of forms. From lunch-and-learns to community tours and afternoon panel discussions, the goal of Donor Connect is to encourage community engagement. Local experts on the topics of interest expressed by SCF Donors and Fundholders share their knowledge, answer questions, and share local data and resources.

Donor Connect events are listed on the Spartanburg County Foundation website and provided free for attendees. Pre-registration is required for these events, which are promoted through the Foundation's e-newsletters, mailings, and social media.

Topics Have Included:

- Estate Planning
- Trusts
- Staying Safe Online
- Spartanburg County History Tour
- Venture Philanthropy
- Our Natural Environment
- Planned Giving
- Document Shredding Day (now an annual event)
