

HOW TO GIVE IRA Rollover or Qualified Charitable Distribution

If you are over the age of 70½, you can transfer up to \$100,000 directly from your individual retirement account (IRA) to Spartanburg County Foundation tax-free. If you are 72 or older, this gift will count toward your required annual minimum distribution. Many people have found this to be an easy, tax-smart way to support the community they love.

HOW IT WORKS

- You work with your IRA administrator to transfer up to \$100,000 from your IRA directly to the community foundation.
- You must be 70½ or older at the time the gift is made.
- If married, each spouse can transfer up to \$100,000 from their IRA.
- We handle all the administrative details.
- Your gift can be placed into an endowment that is invested over time. Earnings from your gift are used to make grants addressing community needs. Your gift—and all future earnings from your gift—is a permanent source of community capital, helping to do good work forever.

CHOOSING CHARITY OVER TAX

“We saved very carefully for so many years. In fact, we wound up with more than we needed during our retirement,” Anna Henderson said. “We had even set aside assets for our children—enough to give them a nice inheritance when we pass on.” Instead of leaving their children around 40% of their retirement assets (after estate and the heirs’ income taxes), the Hendersons decided to transfer 100% of these funds to their community foundation tax-free. The gift allowed them to establish the Henderson Family Fund for Education, a field of interest fund. “It feels good to make this gift during our lifetime,” Stephen Henderson said. “We enjoy seeing the difference our gift is making to some key health issues in our community.”

HOW TO GIVE IRA ROLLOVER OR QUALIFIED CHARITABLE DISTRIBUTION

CHOOSE A FUND

If your gift meets the fund minimum, you have the opportunity to create a charitable fund in your name, the name of your family or in honor of any person or organization you choose. Select one of the following fund types:

UNRESTRICTED FUND

Address a broad range of current and future needs. The community foundation awards strategic grants to select projects and programs.

FIELD OF INTEREST FUND

Target your gifts to causes that are important to you. The community foundation awards grants to programs addressing your specific interest area.

DESIGNATED FUND

Support the good work of a specific nonprofit organization with a source of income, plus planned giving and investment management services.

OTHER ADVANTAGES

We can make your charitable IRA transfer easy, flexible and effective, helping you achieve your personal charitable goals and financial goals. Distributions can help satisfy your required minimum distribution and reduce your taxable income. Your qualified charitable distribution incurs no federal income tax and the asset is no longer part of your estate for tax purposes.

Many donors also like that this tool allows them to make a significant gift during their lifetime so that they can see results, rather than making the gift through an estate plan.

Any amounts left in an IRA when an individual dies may be taxed as income to the beneficiary and are also considered assets for the purpose of calculating that person's estate tax liability. When you give your IRA to charity, your heirs are not burdened by the taxes associated with receiving your IRA upon your death. Instead, you can leave them other assets that have a more favorable tax treatment.
