Nonprofit Effectiveness Grant Opportunity

Vision

All Spartanburg County residents achieve their human potential through continuous improvement in quality of life, educational achievement, and economic mobility.

Mission

The Spartanburg County Foundation is committed to improving the lives of Spartanburg County residents by promoting philanthropy, encouraging community engagement, and responding to community needs.

Nonprofit Effectiveness Grant Opportunity

Nonprofit Effectiveness Grants of up to \$10,000 are focused on strengthening the internal capacity or infrastructure of community-based organizations throughout Spartanburg County. Nonprofit Effectiveness grants are designed to grow organizational capacity. Some examples of capacity building grants are increasing effectiveness in board governance, financial management, fundraising, partnering & collaboration, strategic communications, succession planning, and/or evaluation.

Grant Guidelines

The Spartanburg County Foundation only considers organizations and institutions that are recognized as 501(c)(3) nonprofit and/or tax-exempt entities providing services to residents of Spartanburg County, South Carolina. Institutions and organizations located outside of Spartanburg County may be eligible for funding; however, funding is restricted to benefit Spartanburg County residents only. Organizations that serve multiple counties must clearly show impact in Spartanburg County and that the funds will remain in Spartanburg County. Organizations must comply with all applicable local, state, and federal non-discrimination laws and policies.

Grants from the Spartanburg County Foundation are for a period of one year.

The Spartanburg County Foundation seeks to support organizations who can demonstrate the following:

- Alignment with the Foundation's mission and vision.
- Services that help Spartanburg County residents achieve their human potential.
- Data-informed responses to one or more of the three Continuous Improvement areas (Quality of Life, Educational Achievement, & Economic Mobility).
- Comprehensive measurement and evaluation tools that track organizational and programmatic outcomes.
- Potential to leverage funding from multiple sources.
