Reminders and Features:

- You MUST be registered as an organization. You will know if your account is an organization because there will be “Organization Profile” in the blue bar at the top of the GOapply screen.
 - *If you previously or accidentally registered as an individual, please reach out to Hailey Barnhill. This is a simple fix within our system.*
- The project/program budget and the board of directors template are embedded in the application.
 - The project/program budget must balance. The total income (amount pending + amount committed) must be the same as the total amount of expenses.
 - As you complete this application, we ask grantees to indicate how much time it took them to finish. This feedback will help us continue to improve the application process.

Project/Program Income *

Income Type	Amount Pending	Amount Committed	Notes (if needed)
Spartanburg County Foundation Grant	9500

Reminders and Features:

- More than one user in an organization can access an In Progress application. Select “Organization Profile” and then “GOapply Users” to see who can access the organization’s application.
 - *If you’d like to use this feature and it’s not working for your organization, please reach out to Hailey Barnhill.*

The screenshot displays the 'GOapply Users' interface. At the top, a dark blue navigation bar contains the text 'Organization Profile' and 'Review'. Below this, a light blue header bar features two buttons: 'Organization Profile' and 'GOapply Users'. A green arrow points to the 'GOapply Users' button. The main content area is divided into two sections: 'Active Users' and 'Inactive Users'. The 'Active Users' section has a table with columns 'Name' and 'Action'. It lists one user, 'Sheila Snoddy', with a 'Deactivate' button in the 'Action' column. The 'Inactive Users' section also has a table with columns 'Name' and 'Action', but it shows 'No Results'. At the bottom center, there is a 'Go Back' link.
