Spartanburg Community Fund

The Spartanburg Community Fund is a vital resource made up of contributions from generous donors to the Foundation.

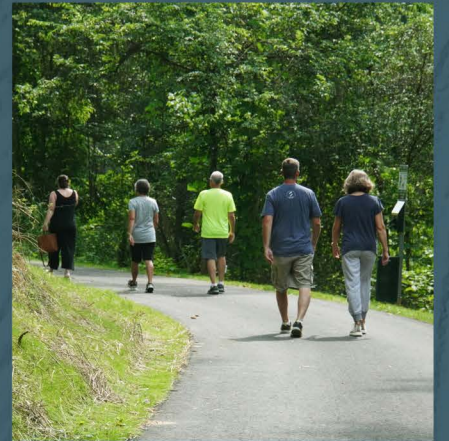

It is the fund that is available for flexibility and responsiveness to urgent needs. From this fund, strategic grants are distributed every year to nonprofit organizations addressing a wide variety of needs, creating lasting positive change across Spartanburg County. By donating to the Spartanburg Community Fund, YOU help create an ongoing cycle of support to increase educational achievement, economic mobility, quality of life, and nonprofit effectiveness.

Any individual, family, or business may contribute to the Spartanburg Community Fund with confidence that they are making a difference and joining the Foundation in our mission to improve the lives of all Spartanburg County residents.

- Builds lasting capacity to serve donors and the community with excellence

Document Shredding Day Sponsorship

Join us in making our community safer and greener by sponsoring a Document Shredding Day - a free event that offers secure disposal of personal and confidential documents. Your sponsorship helps guard against identity theft and supports protecting our natural environment.

Just Because Fund (#2233)

This fund provides smaller, non-competitive grants to nonprofit organizations meeting needs across Spartanburg County. It's our version of ambush or surprise philanthropy that brings joy to the grantees.

The Spartanburg Soup Kitchen received an unrestricted Just Because Grant to support its efforts to improve food security for community members.
